

Mario Lopez Interview With NewNowNext NOISE!

In case you missed our [Step & It Up recap](#) vlog, you can still catch John Polly chatting up Mario Lopez, the newest member of Broadway's [A Chorus Line](#), right here!

We snagged him at rehearsal to talk about that Nip/Tuck ass shot, being an object of gay lust worldwide, Liz Berkley and Showgirls ... and Miss Teen South Carolina! Oh ... and about A Chorus Line too. We've even got Mario dancing onstage!

And you'll get to hear Mario's bedroom-sexy whisper. ...Or maybe that's just what I heard.
